

Customized according to your
needs - TPU Puller

Luxzipper

Dongguan Lovelybabies
Apparel Co., Ltd

Lovely  Babies

| Pull piece high-end custom

CC2001

- Product Name: TPU Rope Handle
 - Product material: environmental protection TPU
 - Product technology: injection molding
 - Rope color: black (can be customized)
 - Puller color: black (can be customized)
- Product weight: $1.1 \pm 0.1g$
- Puller size: $9.0 \times 25.5mm$
 - Rope size: $\Phi 1.8 \times \text{folded } 45.0mm$

CC2002

- Product Name: TPU Rope Handle
 - Product material: environmental protection TPU
 - Product technology: injection molding
 - Rope color: green + black (can be customized)
 - Pull color: dark gray (can be customized)
- Product weight: $1.3 \pm 0.1g$
- Puller size: $9.0 \times 25.5mm$
 - Rope size: $\Phi 2.0 \times 45.0mm$ in half

CC2003

- Product Name: TPU Rope Handle
 - Product material: environmental protection TPU
 - Product technology: injection molding
 - Rope color: black (can be customized)
 - Puller color: black (can be customized)
- Product weight: $0.8 \pm 0.1g$
- Puller size: $8.3 \times 19.0mm$
 - Rope size: $\Phi 1.8 \times \text{folded } 45.0mm$

CC2004

- Product Name: TPU Rope Handle
 - Product material: environmental protection TPU
 - Product technology: injection molding
 - Rope color: black (can be customized)
 - Puller color: black (can be customized)
- Product weight: $1.1 \pm 0.1g$
- Puller size: $24.0 \times 21.0mm$
 - Rope size: $\Phi 1.6 \times \text{folded } 41.0mm$

CC2005

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: black (can be customized)
- Puller color: black (can be customized)
- Product weight: 1.1±0.1g
- Puller size: 10.0*16.5mm
- Rope size: Φ1.8*folded 45.0mm

CC2006

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: red (can be customized)
- Puller color: black (can be customized)
- Product weight: 1.2±0.1g
- Puller size: 6.0*29.5mm
- Rope size: Φ1.6*40.0mm folded

CC2007

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: dark blue (can be customized)
- Pull color: dark blue (can be customized)
- Product weight: 1.0±0.1g
- Puller size: 9.0*18.0mm
- Rope size: Φ1.6*35.0mm folded

CC2008

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: black (can be customized)
- Puller color: black (can be customized)
- Product weight: 0.8±0.1g
- Puller size: 9.6*14.5mm
- Rope size: Φ1.6*folded 45mm

CC2009

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: dark blue (can be customized)
- Pull color: black (can be customized)
- Product weight: 0.3±0.1g
- Pull size: 5.1*14.5mm
- Rope size: Φ1.0 * folded 35.0mm

CC2010

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: black (can be customized)
- Puller color: black (can be customized)
- Product weight: 1.1±0.1g
- Puller size: 10.0*20.0mm
- Rope size: Φ1.3*40.0mm folded

CC2011

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: black (can be customized)
- Puller color: black (can be customized)
- Product weight: 1.0±0.1g
- Puller size: 12.0*12.0mm
- Rope size: Φ1.6*40.0mm folded

CC2012

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: black (can be customized)
- Puller color: black (can be customized)
- Product weight: 0.7±0.1g
- Puller size: 7.0*15.0mm
- Rope size: Φ1.6*folded 45.0mm

CC2013

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: light green (can be customized)
- Puller color: black + light green (can be customized)
- Product weight: 0.9±0.1g
- Puller size: 8.7*18.0mm
- Rope size: Φ1.6*folded 45.0mm

CC2014

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: black (can be customized)
- Puller color: black (can be customized)
- Product weight: 0.7±0.1g
- Puller size: 6.7*18.0mm
- Rope size: Φ1.8*45.0mm folded

CC2015

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: black (can be customized)
- Puller color: black + transparent color (can be customized)
- Product weight: 1.4±0.1g
- Puller size: 8.0*25.0mm
- Rope size: Φ1.8*45.0mm folded

CC2016

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: black (can be customized)
- Puller color: black (can be customized)
- Product weight: 1.0±0.1g
- Puller size: 5.7*20.0mm
- Rope size: Φ1.6*folded 45.0mm

CC2017

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: black (can be customized)
- Puller color: black (can be customized)
- Product weight: 1.0±0.1g
- Puller size: 9.9*27.0mm
- Rope size: Φ1.6*40.0mm folded

CC2018

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: black (can be customized)
- Puller color: black + transparent (can be customized)
- Product weight: 0.4±0.1g
- Puller size: 4.0*19.0mm
- Rope size: Φ1.4*folded 40.0mm

CC2019

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: green (can be customized)
- Pull color: black (can be customized)
- Product weight: 0.7±0.1g
- Puller size: 8.0*12.0mm
- Rope size: Φ1.6*62.0mm folded

CC2020

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: black + white (can be customized)
- Pull color: black + silver (can be customized)
- Product weight: 0.8±0.1g
- Puller size: 7.7*16.0mm
- Rope size: Φ1.8*folded 40.0mm

CC2023

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: dark gray (can be customized)
- Pull color: yellow (can be customized)
- Product weight: 1.7±0.1g
- Puller size: 13.0*20.0mm
- Rope size: Φ1.6*folded 45.0mm

CC2024

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: black (can be customized)
- Puller color: black (can be customized)
- Product weight: 1.5±0.1g
- Puller size: 12.7*25.0mm
- Rope size: Φ1.0*folded 45.0mm

CC2025

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: brown (can be customized)
- Pull color: brown + silver (can be customized)
- Product weight: 0.9±0.1g
- Puller size: Φ4.6*15.0mm
- Rope size: Φ1.6*50.0mm folded

CC2026

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: black (can be customized)
- Puller color: black (can be customized)
- Product weight: 1.8±0.1g
- Puller size: Φ30.0*16.5mm
- Rope size: Φ2.5*50.0mm folded

CC2027

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: black + white (can be customized)
- Pull color: black (can be customized)
- Product weight: 0.8±0.1g
- Puller size: 20*11.5mm
- Rope size: Φ1.5*folded 45.0mm

CC2028

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: black (can be customized)
- Puller color: black (can be customized)
- Product weight: 1.9±0.1g
- Puller size: 30*17.6mm
- Rope size: Φ2.0*50.0mm folded

CC2029

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: black (can be customized)
- Pull color: yellow (can be customized)
- Product weight: 1.9±0.1g
- Puller size: 29.0*15.0mm
- Rope Size: Φ2.4*Folded 65mm

CC2030

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: black (can be customized)
- Puller color: black (can be customized)
- Product weight: 0.9±0.1g
- Puller size: 4.0*37.0mm
- Rope size: Φ1.6*length can be customized

CC2031

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: dark blue + white (can be customized)
- Puller color: dark blue (can be customized)
- Product weight: 0.7±0.1g
- Puller size: 4.0*16.0mm
- Rope size: Φ1.6*length can be customized

CC2032

- Product Name: Rope Handle
- Product Material: Heat Shrink Tube + Rope
- Product technology: heat-shrinkable tube wrapped rope knot
- Rope color: black + white (can be customized)
- Puller color: black (can be customized)
- Product weight: 0.4±0.1g
- Heat-shrinkable tube size: 4.0*17.0mm
- Rope size: Φ1.4*folded 55.0mm

CC2034

- Product Name: Rope Handle
- Product Material: Silicone + Rope
- Product Technology: Silicone on both ends of the rope
- Rope color: black+white+red
- Puller color: black (can be customized)
- Product weight: 0.7±0.1g
- Silicone size: 3.8*14.0mm
- Rope size: Φ4.0*folded 45.0mm

CC2035

- Product Name: Heat Shrinkable Tube Wrapped Rope Handle
- Product Material: Heat Shrink Tube + Rope
- Product Technology: Heat Shrinkable Tube with Rope Knot
- Rope color: black (can be customized)
- The color of heat-shrinkable tube: black (can be customized)
- Product weight: 0.7±0.1g
- The size of heat-shrinkable tube: 7.5*20.0mm
- Rope size: Φ2.0*50.0mm folded

CC2036

- Product Name: Rope Handle
- Product Material: Heat Shrink Tube + Rope
- Product technology: heat-shrinkable tube wrapped rope
- Rope color: black (can be customized)
- Puller color: black (can be customized)
- Product weight: 0.4±0.1g
- The size of heat-shrinkable tube: 4.0*35.0mm
- Rope size: Φ1.8*60.0mm folded

CC2037

- Product name: rope pull tab
- Product material: environmental protection rope
- Product technology: knotted rope
- Rope color: dark blue (can be customized)
- Product weight: 0.5±0.1g
- Rope size: Φ2.0*55.0mm folded

CC2038

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: black (can be customized)
- Puller color: black (can be customized)
- Product weight: 1.6±0.1g
- Puller size: 7.8*32.0mm
- Rope size: Φ1.6*40mm folded

CC2039

- Product Name: Rope Handle
- Product Material: Heat Shrink Tube + Rope
- Product technology: heat-shrinkable tube wrapped rope
- Rope color: black (can be customized)
- Puller color: black (can be customized)
- Product weight: 0.5±0.1g
- Heat-shrinkable tube size: 4.1*34.5mm
- Rope size: Φ1.8*80.0mm folded

CC2041

- Product Name: Rope Handle
- Product Material: Heat Shrinkable Tube + Rope
- Product Material: Heat Shrink Tube + Rope
- Rope color: black + white (can be customized)
- Puller color: black
- Product weight: 0.7±0.1g
- Heat-shrinkable tube size: 6.5*19.0mm
- Rope Size: Φ1.6*Folded 55.0mm

CC2042

- Product Name: Rope Handle
- Product Material: Rope + Heat Shrink Tube
- Product technology: rope ends wrapped with heat-shrinkable tube
- Rope color: white + black (can be customized)
- Puller color: black (can be customized)
- Product weight: 0.3±0.1g
- The size of heat-shrinkable tube: 2.4*17.0mm
- Rope size: Φ1.6*length can be customized

CC2044

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding (can be customized)
- Rope color: black + white (can be customized)
- Puller color: black (can be customized)
- Product weight: 0.4±0.1g
- Puller size: 3.0*13.0mm
- Rope size: Φ1.6*length can be customized

CC2045

- Product Name: Rope Handle
- Product Material: Heat Shrink Tube + Rope
- Product technology: heat-shrinkable tube wrapped rope
- Rope color: black (can be customized)
- Puller color: black (can be customized)
- Product weight: 0.3±0.1g
- The size of heat-shrinkable tube: 3.7*20.0mm
- Rope size: Φ1.4*folded 45.0mm

CC2047

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: orange-red (can be customized)
- Pull color: earth yellow (can be customized)
- Product weight: 0.2 ± 0.1 g
- Puller size: 4.2*7.0mm
- Rope size: $\Phi 1.4 \times 40.0$ mm folded

CC2048

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: black (can be customized)
- Puller color: black (can be customized)
- Product weight: 1.1 ± 0.1 g
- Puller size: $\Phi 12.5$ mm
- Rope size: $\Phi 2.0 \times 35.0$ mm folded

CC2049

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: black (can be customized)
- Puller color: black (can be customized)
- Product weight: 1.2 ± 0.1 g
- Puller size: 7.0*27.0mm
- Rope size: $\Phi 1.4 \times$ folded 45.0mm

CC2050

- Product Name: Rope Handle
- Product Material: Silicone + Rope
- Product technology: drop silicone rope knot
- Rope color: black (can be customized)
- Puller color: black (can be customized)
- Product weight: 0.1 ± 0.1 g
- Rope size: $\Phi 1.3 \times 40.0$ mm folded

CC2051

- Product Name: Metal head elastic rope puller
- Product material: metal head + elastic rope
- Product Technology: Hardware wrapped on both ends of the rope
- Rope color: black (can be customized)
- Puller color: color (can be customized)
- Product weight: 1.3 ± 0.1 g
- Puller size: 3.2*18.0mm
- Rope size: $\Phi 2.3 \times$ Folded 55.0~90.0mm

CC2052

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: black (can be customized)
- Pull color: black (can be customized)
- Heat Shrink Tube Color: Black (can be customized)
- Product weight: 5.5 ± 0.1 g
- Puller size: 9.0*25.5mm
- Rope size: $\Phi 1.8 \times 25.0$ mm
- Zipper head size: 30.0mm

CC2053

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: green (can be customized)
- Pull color: black (can be customized)
- Product weight: 0.7 ± 0.1 g
- Puller size: 19.0*8.0mm
- Rope size: $\Phi 1.6$ *Folded 55.0mm

CC2054

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: dark gray + white (can be customized)
- Puller color: black (can be customized)
- Product weight: 0.8 ± 0.1 g
- Puller size: 7.0*17.5mm
- Rope size: $\Phi 1.3$ *40.0mm folded

CC2055

- Product Name: Injection molding heat shrinkable tube rope handle
 Product Material: Injection Molding + Heat Shrinkable Tube + Rope
 Product Process: Injection molded rope wrapped with heat shrink tubing
- Rope color: orange (can be customized)
 - Puller color: black (can be customized)
 - The size of heat-shrinkable tube: 7.3*18.4mm
 - Rope size: $\Phi 2.0$ *50.0mm folded

CC2056

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: dark gray + white (can be customized)
- Puller color: black (can be customized)
- Product weight: 0.8 ± 0.1 g
- Puller size: 7.0*17.5mm
- Rope size: $\Phi 1.3$ *40.0mm folded

CC2057

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: yellow (can be customized)
- Pull color: black (can be customized)
- Product weight: 1.0 ± 0.1 g
- Puller size: 10.0*22.5mm
- Rope size: $\Phi 1.6$ *50.0mm

CC2058

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: orange (can be customized)
- Puller color: black + transparent color (can be customized)
- Product weight: 1.1 ± 0.1 g
- Puller size: 6.0*19.5mm
- Rope size: $\Phi 1.8$ *35.0mm

CC2059

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: green (can be customized)
- Pull color: black (can be customized)
- Product weight: 1.1±0.1g
- Puller size: 9.2*26.0mm
- Rope size: Φ1.4*40.0mm folded

CC2060

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: green (can be customized)
- Puller color: black + silver (can be customized)
- Product weight: 0.8±0.1g
- Puller size: 6.2*15.0mm
- Rope size: Φ1.4*folded 40.0mm

CC2061

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: black (can be customized)
- Pull color: black (can be customized)
- Product weight: 1.0±0.1g
- Puller size: 7.3*22.0mm
- Rope Size: Φ1.3*Folded 55.0mm

CC2062

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: black (can be customized)
- Puller color: black (can be customized)
- Product weight: 0.9±0.1g
- Puller size: 15.6*8.5mm
- Rope Size: Φ1.8*Folded 55.0mm

CC2063

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: black + white (can be customized)
- Pull color: black (can be customized)
- Product weight: 1.7±0.1g
- Puller size: 10.0*24.0mm
- Rope size: Φ1.8*40.0mm folded

CC2064

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: black (can be customized)
- Puller color: black (can be customized)
- Product weight: 1.5±0.1g
- Puller size: 9.0*25.5mm
- Rope size: Φ1.8*50.0mm folded

CC2065

- Product Name: TPU Rope Handle
 - Product material: environmental protection TPU
 - Product technology: injection molding
 - Rope color: black (can be customized)
 - Puller color: black (can be customized)
- Product weight: 0.9 ±0.1g
- Puller size: Φ4.4*19.6mm
 - Rope size: Φ1.5*50.0mm folded

CC2066

- Product Name: Metal head elastic rope puller
 - Product material: metal head + elastic rope
 - Product technology: rope head wrapped hardware
 - Rope color: cherry grass + dark gray (can be customized)
 - Puller color: black (can be customized)
- Product weight: 1.2
- Puller size: Φ4.1*21.0mm
 - Rope size: Φ2.2*Folded 55.0~110mm

CC2067

- Product Name: TPU Rope Handle
 - Product material: environmental protection TPU
 - Product technology: injection molding
 - Rope color: orange (can be customized)
 - Pull color: black (can be customized)
- Product weight: 1.1±0.1g
- Puller size: 17.8*11.5mm
 - Rope size: Φ1.5*folded 45.0mm

CC2068

- Product Name: TPU Rope Handle
 - Product material: environmental protection TPU
 - Product technology: injection molding
 - Rope color: black + white (can be customized)
 - Pull color: black (can be customized)
- Product weight: 0.7±0.1g
- Puller size: Φ3*16.8mm
 - Rope size: Φ1.6*70.0mm folded

CC2069

- Product Name: TPU Rope Handle
 - Product material: environmental protection TPU
 - Product technology: injection molding
 - Rope color: black + white (can be customized)
 - Pull color: black + silver (can be customized)
- Product weight: 1.4±0.1g
- Puller size: 9.6*25.4mm
 - Rope size: Φ1.6*folded 40.0mm

CC2070

- Product Name: TPU Rope Handle
 - Product material: environmental protection TPU
 - Product technology: injection molding
 - Rope color: olive yellow (can be customized)
 - Pull color: olive yellow (can be customized)
- Product weight: 1.2±0.1g
- Puller size: 8.9*24.0mm
 - Rope size: Φ1.5*45.0mm folded

CC2071

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: green (can be customized)
- Pull color: green (can be customized)
- Product weight: 0.4±0.1g
- Puller size: 12.5*32.4mm
- Rope size: Φ1.0*folded 25.0mm

CC2072

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: gray (can be customized)
- Puller color: black (can be customized)
- Product weight: 0.8±0.1g
- Puller size: 6.8*19.6mm
- Rope size: Φ1.8*40.0mm folded

CC2073

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: black + white (can be customized)
- Pull color: black (can be customized)
- Product weight: 0.8±0.1g
- Puller size: 8.6*14.0mm
- Rope size: Φ1.6*folded 35.0mm

CC2074

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: black (can be customized)
- Puller color: black (can be customized)
- Product weight: 2.1±0.1g
- Puller size: 10.6*30.5mm
- Rope Size: Φ1.8*Folded 45.0mm

CC2075

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: traffic yellow (can be customized)
- Puller color: black (can be customized)
- Product weight: 0.3±0.1g
- Puller size: 11.2*16.2mm
- Rope size: Φ1.0 folded 30.0mm

CC2076

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: black (can be customized)
- Puller color: black (can be customized)
- Product weight: 1.2±0.1g
- Puller size: 11.2*15.6mm
- Rope size: Φ1.6 folded 45.0mm

CC2077

- Product Name: TPU Rope Handle
 - Product material: environmental protection TPU
 - Product technology: injection molding
 - Rope color: black + white (can be customized)
 - Pull color: black (can be customized)
- Product weight: 1.3±0.1g
 •Puller size: Φ4.2*16.9mm
 •Rope size: Φ4.0*65.0mm folded

CC2078

- Product Name: TPU Rope Handle
 - Product material: environmental protection TPU
 - Product technology: injection molding
 - Rope color: black (can be customized)
 - Puller color: black (can be customized)
- Product weight: 0.3±0.1g
 •Puller size: 7.8*7.7mm
 •Rope size: Φ1.0*40.0mm folded

CC2080

- Product Name: TPU Rope Handle
 - Product material: environmental protection TPU
 - Product technology: injection molding
 - Rope color: black (can be customized)
 - Pull color: black (can be customized)
- Product weight: 1.0±0.1g
 •Puller size: 5.9*20.5mm
 •Rope size: Φ1.5*30.0mm folded

CC2081

- Product Name: TPU Rope Handle
 - Product material: environmental protection TPU
 - Product technology: injection molding
 - Rope color: black (can be customized)
 - Puller color: black (can be customized)
- Product weight: 2.2±0.1g
 •Puller size: 7.9*39.5mm
 •Rope size: Φ1.6*folded 45.0mm

CC2083

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
 - Product technology: injection molding
 - Rope color: gray (can be customized)
 - Puller color: soft green (can be customized)
- Product weight: 1.3±0.1g
 •Puller size: 8.6*21.2mm
 •Rope size: Φ1.8*45.0mm folded

CC2084

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
 - Product technology: injection molding
 - Rope color: white (can be customized)
 - Puller color: light yellow (can be customized)
- Product weight: 1.3±0.1g
 •Puller size: 6.0*29.8mm
 •Rope size: Φ1.5*folded 45.0mm

CC2085

- Product Name: TPU Rope Handle
 - Product material: environmental protection TPU
 - Product technology: injection molding
 - Rope color: black (can be customized)
 - Puller color: black (can be customized)
- Product weight: 0.8±0.1g
 •Puller size: 8.3*19.0mm
 •Rope size: Φ1.8*folded 45.0mm

CC2089

- Product Name: Metal Head Rope Handle
 - Product Material: metal head + rope
 - Product technology: rope ends wrapped hardware
 - Rope color: white (can be customized)
 - Puller color: white (can be customized)
- Product weight: 1.4±0.1g
 •Puller size: 3.3*17.5mm
 •Rope size: Φ2.0*45.0mm folded

CC2092

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
 - Product technology: injection molding
 - Rope color: black (can be customized)
 - Puller color: black (can be customized)
- Product weight: 2.3±0.1g
 •Puller size: 11.1*40.0mm
 •Rope size: Φ1.8*folded 45.0mm

CC2093

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
 - Product technology: injection molding
 - Rope color: black (can be customized)
 - Puller color: black (can be customized)
- Product weight: 0.9±0.1g
 •Puller size: Φ4.3*19.5mm
 •Rope size: Φ1.4*52.0mm

CC2094

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
 - Product technology: injection molding
 - Rope color: black (can be customized)
 - Puller color: black (can be customized)
- Product weight: 1.4±0.1g
 •Puller size: 20.2*19.7mm
 •Rope size: Φ1.6*folded 45.0mm

CC2095

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
 - Product technology: injection molding
 - Rope color: black (can be customized)
 - Puller color: black (can be customized)
- Product weight: 0.9±0.1g
 •Puller size: 20.4*12.1mm
 •Rope size: Φ1.8*50.0mm folded

CC2096

Product Name: TPU Rope Handle

- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: black (can be customized)
- Puller color: Ashes red (can be customized)
- Product weight: 1.2 ± 0.1 g
- Puller size: 22.8*15.6mm
- Rope size: $\Phi 2.0$ *folded 45.0mm

CC2098

Product Name: TPU Rope Handle

- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: orange (can be customized)
- Pull color: orange (can be customized)
- Product weight: 1.7 ± 0.1 g
- Puller size: $\Phi 4.2$ *22.0mm
- Rope size: Folded 140mm

CC2099

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: color (can be customized)
- Puller color: black (can be customized)
- Product weight: 0.9 ± 0.1 g
- Puller size: 20.1*12.0mm
- Rope size: $\Phi 2.0$ *folded 45.0mm

CC2100

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: black (can be customized)
- Pull color: white (can be customized)
- Product weight: 0.8 ± 0.1 g
- Puller size: 3.7*17.2mm
- Rope Size: $\Phi 1.5$ *Folded 55.0mm

CC2101

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: Suzuki red (can be customized)
- Pull color: black (can be customized)
- Product weight: 1.1 ± 0.1 g
- Puller size: 11.6*12.5mm
- Rope size: $\Phi 1.5$ *50.0mm folded

CC2102

- Product Name: Zipper Rope Puller
- Product Material: Metal+Rope
- Product technology: heat-shrinkable tube wrapped hardware
- Rope color: black (can be customized)
- Pull color: black (can be customized)
- The color of heat shrinkable tube: black (can be customized)
- Product weight: 5.5 ± 0.1 g
- Rope size: $\Phi 3.0$ *35.0mm
- Zipper head size: 20.0mm

CC2103

Product Name: TPU Rope Handle

- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: black (can be customized)
- Puller color: black (can be customized)
- Product weight: 0.7±0.1g
- Puller size: Φ3.0*17.0mm
- Rope size: Φ1.4*65.0mm folded

CC2104

Product Name: TPU Rope Handle

- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: green (can be customized)
- Puller color: green + transparent color (can be customized)
- Product weight: 0.4±0.1g
- Puller size: Φ4.2*18.9mm
- Rope size: Φ1.2*40.0mm folded

CC2105

Product Name: TPU Rope Handle

- Product material: environmental protection TPU + elastic rope
- Product technology: injection molding
- Rope color: fog clear (can be customized)
- Pull color: black (can be customized)
- Product weight: 3.3±0.1g
- Puller size: 22.4*35.0mm
- Rope size: Φ2.4*one side 80.0mm

CC2106

●Product Name: TPU Rope Handle

- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: black (can be customized)
- Puller color: black (can be customized)
- Product weight: 1.3±0.1g
- Puller size: 13.3*19.9mm
- Rope size: Φ1.8*40.0mm folded

CC2110

●Product Name: TPU Rope Handle

- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: black (can be customized)
- Puller color: black (can be customized)
- Product weight: 0.9±0.1g
- Puller size: 8.1*20.1mm
- Rope size: Φ1.6*40.0mm folded

CC2111

●Product Name: TPU Rope Handle

- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: black + white (can be customized)
- Pull color: black (can be customized)
- Product weight: 0.3±0.1g
- Puller size: Φ3.5*10.3mm
- Rope size: Φ1.2*50.0mm folded

CC2112

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: dark gray (can be customized)
- Pull color: dark gray (can be customized)
- Product weight: 0.2±0.1g
- Puller size: 5.2*10.2mm
- Cord size: Φ1.2*40.0mm folded

CC2113

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: light gray (can be customized)
- Puller color: light gray (can be customized)
- Product weight: 0.2±0.1g
- Puller size: 7.2*8.0mm
- Rope size: Φ1.2*40.0mm folded

CC2114

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: dark blue (can be customized)
- Puller color: dark blue (can be customized)
- Product weight: 0.3±0.1g
- Puller size: 6.5*10.2mm
- Rope size: Φ1.2*folded 50.0mm

CC2115

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: gray (can be customized)
- Puller color: gray (can be customized)
- Product weight: 0.6±0.1g
- Puller size: 7.7*9.7mm
- Rope size: Φ1.8*50.0mm folded

CC2117

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: black (can be customized)
- Puller color: black (can be customized)
- Product weight: 1.9±0.1g
- Puller size: Φ4.6*22.1mm
- Rope size: Φ4.8*90.0mm folded

CC2119

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: black (can be customized)
- Puller color: black + gray (can be customized)
- Product weight: 0.7±0.1g
- Puller size: 6.2*18.8mm
- Rope size: Φ1.6*40.0mm folded

CC2121

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: black + white (can be customized)
- Pull color: black (can be customized)
- Product weight: 2.0 ± 0.1 g
- Puller size: 5.5×19.7 mm
- Rope size: $\Phi 3.0 \times \text{Folded } 105.0$ mm

CC2122

- Product Name: Double Button Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: white (can be customized)
- Puller color: black (can be customized)
- Product weight: 2.7 ± 0.1 g
- Puller size: 19.0×20.5 mm
- Rope Size: $\Phi 1.7 \times \text{Folded } 45.0$ mm

CC2123

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: color (can be customized)
- Puller color: reddish brown (can be customized)
- Product weight: 1.2 ± 0.1 g
- Puller size: $\Phi 9.1 \times 25.2$ mm
- Rope size: $\Phi 1.8 \times 40.0$ mm folded

CC2124

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: black (can be customized)
- Puller color: black (can be customized)
- Product weight: 1.5 ± 0.1 g
- Puller size: $\Phi 22.0 \times 16.6$ mm
- Rope size: $\Phi 2.5 \times 50.0$ mm folded

CC2126

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: black (can be customized)
- Puller color: black (can be customized)
- Product weight: 0.9 ± 0.1 g
- Puller size: 27.0×19.0 mm
- Rope Size: $\Phi 1.6 \times \text{Folded } 55.0$ mm

CC2128

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: black + white (can be customized)
- Pull color: black (can be customized)
- Product weight: 1.0 ± 0.1 g
- Puller size: 10.0×22.8 mm
- Rope size: $\Phi 2.0 \times \text{folded } 55.0$ mm

CC2129

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: black (can be customized)
- Puller color: black + white (can be customized)
- Product weight: 1.1±0.1g
- Puller size: 9.2*24.5mm
- Rope size: Φ1.7*40.0mm folded

CC2130

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: light gray (can be customized)
- Puller color: light gray (can be customized)
- Product weight: 1.1±0.1g
- Puller size: 9.2*19.8mm
- Rope size: Φ2.0*folded 45.0mm

CC2131

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: black (can be customized)
- Puller color: black (can be customized)
- Product weight: 0.4±0.1g
- Puller size: 3.6*20.0mm
- Rope size: Φ1.2*folded 45.0mm

CC2133

- Product Name: TPU Metal Handle
- Product material: environmental protection TPU + metal
- Product technology: injection molding
- Zipper head color: black (can be customized)
- Pull head color: black (can be customized)
- Product weight: 5.2±0.1g
- Pull head size: 11.2*25.8mm
- Zipper head size: 11.1*17.0mm

CC2134

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: black (can be customized)
- Puller color: black (can be customized)
- Product weight: 0.6±0.1g
- Puller size: 6.9*15.0mm
- Rope size: Φ1.0*50.0mm folded

CC2136

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: black + white (can be customized)
- Pull color: black (can be customized)
- Product weight: 0.3±0.1g
- Puller size: 9.5*7.6mm
- Rope size: Φ1.0*30.0mm folded

CC2137

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: khaki yellow (can be customized)
- Pull color: khaki yellow (can be customized)
- Pull size: 13.4*19.3mm
- Rope size: Φ 1.2*30.0mm folded

CC2138

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: brown (can be customized)
- Puller color: brown (can be customized)
- Pull size: 15.4*20.3mm
- Rope size: Φ 1.4*30mm folded

CC5026

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: yellow (can be customized)
- Pull color: black (can be customized)
- Pull size: 29.2*16.7mm
- Rope Size: Φ 2.5*Folded 55mm

CC5027

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: black + white (can be customized)
- Puller color: black (can be customized)
- Pull size: 29.4*16.90mm
- Rope size: Φ 2.5*folded 50mm

CC5028

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: black (can be customized)
- Puller color: black (can be customized)
- Pull size: Φ 9.0*30.5mm
- Rope size: Φ 1.8*40.0mm

CC5029

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: black (can be customized)
- Puller color: black (can be customized)
- Pull size: 6.4*28.2mm
- Rope size: Φ 2.0*38mm folded

CC5030

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: black (can be customized)
- Puller color: black (can be customized)
- Pull size: 6.4*10.0mm
- Rope size: Φ 1.6*40.0mm folded

CC5031

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: black (can be customized)
- Puller color: black (can be customized)
- Pull size: 6.3*29.5mm
- Rope size: Φ 1.8*40.0mm folded

CC5032

Product Name: TPU rope handle
 Product material: environmental protection TPU
 Product process: injection molding
 Rope color: black (can be customized)
 ●Puller color: black (can be customized)
 Slider size: 6.4*15.4mm
 Rope size: Φ 1.6*folded 40mm

CC5033

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: black (can be customized)
- Puller color: black (can be customized)
- Pull size: 6.0*30.0mm
- Rope size: Φ 1.8*40mm folded

CC5034

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: black (can be customized)
- Puller color: black (can be customized)
- Pull size: Φ 6.0*20.5mm
- Rope size: Φ 1.6*35.0mm

CC5035

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: black (can be customized)
- Puller color: black (can be customized)
- Pull size: 8.2*22.8mm
- Rope size: Φ 1.6*40mm folded

CC5036

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: black (can be customized)
- Puller color: black (can be customized)
- Pull size: 6.0*24.6mm
- Rope size: Φ 1.6*40.0mm folded

CC5037

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: black (can be customized)
- Puller color: black (can be customized)
- Pull size: Φ 13.9*18.8mm
- Rope size: Φ 1.6*50.0mm folded
- Pull size: 10.0*15.0mm
- Rope size: Φ 2.2*folded 37.0mm

CC5038

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: orange (can be customized)
- Pull color: black (can be customized)
- Pull size: 5.0*20.0mm
- Rope size: Φ 1.6*40.0mm folded

CC5039

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: black + white (can be customized)
- Pull color: black (can be customized)
- Pull size: 23.9*21.8mm
- Rope size: Φ 2.0*45mm folded

CC5040

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: black (can be customized)
- Puller color: black (can be customized)
- Pull size: Φ 13.9*18.8mm
- Rope size: Φ 1.6*50.0mm folded

CC5041

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: black (can be customized)
- Puller color: black (can be customized)
- Pull size: 10.0*25.0mm
- Rope size: Φ 1.8*40mm folded

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: black (can be customized)
- Puller color: black (can be customized)
- Pull size: 9.9*37.8mm
- Rope size: Φ1.6*50.0mm folded

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: black (can be customized)
- Puller color: black (can be customized)
- Pull size: 7.3*30.4mm
- Rope size: Φ1.8*40.0mm folded

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: black (can be customized)
- Puller color: black (can be customized)
- Pull size: 23.2*29.6mm
- Rope size: Φ1.8*folded 42.0mm

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: dark gray (can be customized)
- Puller color: black (can be customized)
- Pull size: 3.7*17.4mm
- Rope size: Φ1.6*50.0mm folded

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: black (can be customized)
- Puller color: black (can be customized)
- Pull size: $\Phi 8.7 \times 24.1 \text{mm}$
- Rope size: $\Phi 1.6 \times 40.0 \text{mm}$

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: gray + black (can be customized)
- Puller color: gray (can be customized)
- Puller size: 8.9*25.4mm
- Rope size: $\Phi 1.8$ *35.0mm folded

CC5050

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: black (can be customized)
- Puller color: black (can be customized)
- Pull size: 6.4*24.7mm
- Rope size: Φ 1.8*40.0mm folded

CC5054

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: red (can be customized)
- Pull color: light blue (can be customized)
- Pull size: 29.5*16.8mm
- Rope size: Φ 2.5*folded 40.0mm

CC5057

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: black (can be customized)
- Puller color: black (can be customized)
- Pull size: 12.3*18.9mm
- Rope size: Φ 2.5*40.0mm folded

CC5058

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: black (can be customized)
- Puller color: black (can be customized)
- Pull size: Φ 6.9*26.0mm
- Rope Size: Φ 1.6*40.0mm

CC5061

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: black (can be customized)
- Puller color: black (can be customized)
- Pull size: 13.0*25.1mm
- Rope size: Φ 1.6*40.0mm folded

CC5062

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: yellow (can be customized)
- Pull color: milky white (can be customized)
- Pull size: 19.2*11.7mm
- Rope size: Φ 1.6*folded 48.0mm

CC5067

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: dark gray (can be customized)
- Puller color: red (can be customized)
- Pull size: 28.0*18.0mm
- Rope Size: Φ 1.6*Folded 55.0mm

CC5073

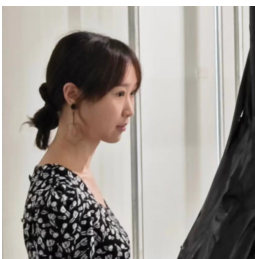

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: black (can be customized)
- Puller color: black (can be customized)
- Pull size: 7.8*16.4mm
- Rope size: Φ 1.6*50.0mm folded

CC5074

- Product Name: TPU Rope Handle
- Product material: environmental protection TPU
- Product technology: injection molding
- Rope color: black (can be customized)
- Puller color: black (can be customized)
- Pull size: 9.9*22.7mm
- Rope size: Φ 1.8*40.0mm folded
